

§ 32.2215 Electro-mechanical switching.

(a) This account shall include the original cost of non-electronic circuit-switching equipment. The investment in electro-mechanical switching equipment shall be maintained in the following subaccounts:

- 2215.1 Step-by-Step Switching
- 2215.2 Crossbar Switching
- 2215.3 Other Electro-Mechanical Switching

(b) *2215.1 Step-by-step switching.* This subaccount shall include the original cost of step-by-step and associated circuit-switching equipment.

(c) *2215.2 Crossbar switching.* This subaccount shall include the original cost of crossbar and associated circuit-switching equipment. Also included in this account is the cost of electronic translator system equipment used in switching.

(d) *2215.3 Other Electro-mechanical switching.* This subaccount shall include the original cost of all other types of non-electronic circuit-switching equipment such as panel systems and their associated circuit-switching equipment.

(e) Switching plant excludes switchboards which perform an operator assistance function and equipment which is an integral part thereof. It does not exclude equipment used solely for the recording of calling telephone numbers in connection with customer dialed charged traffic, dial tandem switchboards and special service switchboards used in conjunction with private line service; such equipment shall be classified to the particular switch that it serves.

§ 32.2220 Operator systems.

(a) This account shall include the original cost of those items of equipment used to assist subscribers in utilizing the network and equipment used in the provision of directory assistance, call intercept, and other operator assisted call completion activities.

(b) This account does not include equipment used solely for the recording of calling telephone numbers in connection with customer dialed charged traffic, dial tandem switchboards and special service switchboards used in conjunction with private line service;

such equipment shall be classified to the particular switch that it serves.

§ 32.2230 Central office—transmission.

This account shall be used by Class B companies to record the original cost of radio systems and circuit equipment of the type and character required of Class A companies in Accounts 2231 and 2232.

§ 32.2231 Radio systems.

(a) This account shall include the original cost of ownership of radio transmitters and receivers. The investment in radio systems shall be maintained in the following subaccounts:

- 2231.1 Satellite and Earth Station Facilities
- 2231.2 Other Radio Facilities

(b) *2231.1 Satellite and earth station facilities.* This subaccount shall include the original cost of ownership interest in satellites (including land-side spares), other spare parts, material and supplies. It shall include launch insurance and other satellite launch costs. This subaccount shall also include the original cost of earth stations and spare parts, material or supplies therefor.

(c) *2231.2 Other radio facilities.* (1) This subaccount shall include the original cost of radio equipment used to provide radio communication channels. Radio equipment is that equipment which is used for the generation, amplification, propagation, reception, modulation, and demodulation of radio waves in free space over which communication channels can be provided. This subaccount shall also include the associated carrier and auxiliary equipment and patch bay equipment which is an integral part of the radio equipment. Such equipment may be located in central office buildings, terminal rooms, or repeater stations or may be mounted on towers, masts or other supports.

(2) This subaccount shall be maintained in order that the company may separately report the amounts contained herein that relate to cellular radio facilities, non-cellular radio facilities, and terrestrial microwave radio facilities. Such subsidiary record
